"Dingo Diary"

It was exciting for everyone to see the Life Education van back in the school grounds last week. Each class group participated in a program suitable for their age and engaged with Healthy Harold. A huge thank you to Kate Kirk for collecting and setting up the truck and moving it on to its next visit.

Thank you to all bidders in the 'make an offer redundant furniture clearance sale'. Money raised will assist school programs. We are grateful to the P&C for the purchase of a new refrigerator for our Kindy, which is now in place. Also, a new stove has been purchased and will be installed in the school staffroom shortly, replacing the old, temperamental oven. This will help our weekly tuckshop enormously.

Emerald Show Day is a non-school day, Wednesday 5 June. We wish all families exhibiting stock in the show success.

Our School Athletics carnival is this Friday 7 June. Please come along and join in the day's fun. Encouragement and participation in events by children will make it a great day. Remember to wear school sports colours – red for Waratah and yellow for Wattle and ensure hats and drink bottles are packed. Food will be available. Kindy children must wear their orange Kindy shirts.

On Monday 10 June, our Preps will have their vision tested during the day. Our Guidance Officer will be in attendance during Week 8.

I continue to enjoy meeting parents and members of our community. Please say hi and introduce yourself to me if we haven't yet met.

Warm regards,
Genevieve Burzacott-Atkins

Attendance

Earn and Learn

We are excited to be taking part in the 2019 Woolworths Earn & Learn program. During the previous campaign, we were able to purchase some great resources with the points we earned, thanks to you. From now until **June 25th 2019**, you can collect stickers at Woolworths that go towards Earn & Learn points. For every \$10 you spend at Woolworths (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. These stickers can then be given to

your children to collect on a special sticker sheet (available at the office) or stickers can go into our collection box in the office or at the post office. The more points we earn, the more we can redeem from a choice of over 10,000 educational resources including mathematics and English resources, art & crafts materials and much, much more! We are grateful for your support and look forward to a successful program. Our goal is to collect 15000 stickers

Kindy

Projected Numbers

Our Kindy program not only allows our students to access high quality early childhood education, it facilitates a seamless transition for these students into Prep. At present we are looking at our projection of future numbers for our Kindy to assist with our planning.

Please advise us with your child's details who are likely to attend our Kindy in the next five years? If you know of other students in the area please pass on their details.

Kindy Safety

Keeping all gates closed at all times is just one small step we have taken to ensure students are safe. We are asking all students, parents, community and visitors to our school to assist by closing the gate behind them.

Even though the weather is getting cooler, Sun Safety is still a priority. Please remember to apply sunscreen every morning. Sunscreen needs to be applied 20 minutes before going outside. This is part of our normal school day routine.

Vision Screening

Prep students are eligible to participate in vision screening program at school. This will happen on Monday 10th June. If you haven't returned your child's form please do ASAP as we need to send them to Rockhampton prior to the visit.

Newsletter Email

While we love that community members like to receive our fortnightly newsletter, we would like to start emailing the newsletter to community members and families. This will help us reduce time and costs in producing hard copies. If you would like to receive your newsletter electronically please email your details to hdrap3@eq.edu.au

P&C News

Pie Drive Form – don't forget orders and money are to be returned by next Wed 12th June to the office. Note that lamingtons have been included on this year's order form.

The P&C are busy gathering sponsors to support a local pigging competition, **Dingo 'Hogs n Dogs'**. This will be held at the Dingo racecourse on the 21st Sept. Keep updated on our FB page Dingo Hogs n Dogs. Like and share our page to help us get the word out to all the pig hunters in CQ. Any

help to assist in the canteen and bar on the day please phone Katie Rea on 0407 372 529. We hope to make this a big fundraiser to help reduce all the little fundraisers we do. Thank you.

The weekly **P&C Lunch** will not be offered on Thursday this week, however tuckshop will be available on Friday at the Inter-house athletics carnival.

The P&C has recently purchased a new fridge for the K-1 classroom and also replaced the stove in the teacher's lunch room. Thank you Mrs Cocks for organising this.

The P&C is **recycling containers**, containers can be dropped off in Blackwater. The P&C code for drop off is **C10184270**. This will allow anyone to drop containers, mention our code and all funds will go directly into the P&C account. Alternately if you're unable to drop recyclables in Blackwater, a collection bin will be set up at the school (where to be advised). Stay tuned for details as they come to hand.

Our next meeting will be at the school, 3.15pm on the **17th June 2019**.

Thank you,
Katie Rea

CHRC Youth Development Facebook Page

At our recent Mayoral Student Leaders Summit, one of our schools mentioned that a Council facebook page would be great for young people to keep up to date with what the Central Highlands Regional Council have on offer for young people in the Central Highland's region.

Youthinc is the Central Highlands Regional Council Youth Development Facebook page, which has been created to keep the region up to date with everything that's on offer for local young people aged 10 to 25 – like gigs, programs, events, fun stuff to do, information and help.

The page has also been created so the Central Highlands Regional Council can connect with young people in the Central Highlands to find out what's important to them and what's going on for young people ...locally.
