Under this agreement for 2014
Dingo State School will receive

$8,602*

This funding will be used to

- Increase the percentage of all students, with the exception of students with an Individual Learning Guarantee, achieving National Minimum Standard in Numeracy from 77% (Term 4, 2013) to 100% in NAPLAN 2014.
- Increase the percentage of all students, with the exception of students with an Individual Learning Guarantee, achieving National Minimum Standard in all Language Conventions from 77% (Term 4, 2013) to 100% in NAPLAN 2014.
- Develop Individual Learning Guarantees for all (Prep – Year 7) students who are currently below National Minimum Standard, or likely to be, in Numeracy and Language Conventions by June 2014.

Our strategy will be to

- Diagnose gaps in student knowledge and skills through analysis of Individual Item Responses from previous NAPLAN and Practice NAPLAN testing and assign student learning goals that attend to gaps in knowledge.
- Triangulate and analyse student data (Subject A to E Grading, Progressive Achievement Tests in Reading and Math, NAPLAN) fortnightly, to track all students', including those with Individual Learning Guarantees, acquisition of knowledge and skills and progress toward achieving their learning goals.
- Develop Individual Learning Guarantees for all Year 3, 5 and 7 students below National Minimum Standard from the present until the end of May 2014 to target teaching and learning toward individual student learning goals.
- Develop teacher capability in the explicit instruction of concept knowledge and application in Numeracy, Writing, Spelling, Grammar and Punctuation through professional development.

Our school will improve student outcomes by
